BOARD OF DIRECTORS, CANDIDATES FOR ELECTION

Please be aware that the club's election process for our next Board of Directors is underway and being conducted according to the bylaws of the club (which are posted on the club website on the "Tennis Board" tab for all to see). Accordingly, the election committee submitted a list of candidates at the February 6th regular Board meeting and that slate of candidates was approved, it is:

President:	CJ Berry
Vice President:	Rick Kenny
Treasurer:	Sandy Traylor
Secretary:	DD Kullman
Tennis Director:	Kristina Traylor

What happens next, you ask? Simple, if you wish to nominate additional candidates (including yourself) you may do so. Just provide those names (and the position they'll be running for) to the Board before 5pm on February 25, 2023. Once nominations are closed, any additions to the list above will be published immediately.

After nominations are complete, the election itself will be held. Our estimate on exactly when voting will take place is from March 7th to the 10th, a 3-day window. Once again, dates are set to be compliant with club bylaws. **It is especially important that members vote!** So please consider that voting is your responsibility as an active club member. Please remember, only members in good standing at the time the election is held may vote. Details on how to vote will be clearly communicated before the election as time draws near.

As a final FYI, election results will be determined within 48hrs of the polls closing and announced as soon thereafter as possible. New Board members take office on May 1st.
