## **OLD BUSINESS**

### Jason Morton Planning Update (3/1 – 3/4)

Kwong Young said it was common that many tennis players do not sign up until we get closer to the date of the event.

Sponsors are being pursued by Kwong Young and Dave Wilcox and we have already received one sponsors check from Arizona Sanitation.

### Play Director Activities

Dar Brasch and Mike Davin talked about eliminating some of the socials for next year. With team tennis this year and all of the other tournaments it has been hard finding players for all the social events. Mike said the Sun Bird social was a mistake on the event sheet and he contacted Charlotte Waird at Sunbird and cancelled the event. Dar discussed changing the date of the All Club Social to December 8<sup>th</sup>, 2018. She said all our snowbirds should be back by then and the date would work better with our schedule. Mike and Dar will get with Cottonwood and discuss their schedule to set dates for the gender and mixed closed tournaments on the new master schedule.

### Update on NWC Dance Fund Raiser

Carol discussed the possibility of IOTC paying partially for the band. She described the rate increase from Stone and Barrel and this year they had to take the highest priced meal as the standard rate. Because of the food increase we will not break even. We raised the price of the tickets this year but felt the participation would drop if it were any higher. All the money collected from the baskets/raffle

and silent auctions go directly to Neighbors Who Care. Dave Wilcox asked that we give them a figure as soon as we get it. Carol said the people working on the dance have contributed the cost of the decorations, baskets and time in preparing for the dance.

### **NEW BUSINESS**

Dave Wilcox discussed the possibility of the board taking a stand on the pickleball issues. Dar Brasch said it might be wise to stay silent for we do not know all the opinions of the tennis members. There was some discussion about our clay courts being converted to a parking lot and pickleball courts. The Field of Dreams ball field being converted to pickleball was also discussed.

The meeting was adjourned at 2:30PM. The next meeting will be March 12, 2018 at 1PM in the Ocotillo Room.
