CALL to Order at 10:30AM - Quorum is present

Introductions - Carole Rockland is joining to help with Membership and Publicity

Minutes were read and approved

Treasurer's Report - One check for \$40 has been written - balance is \$3731

Membership - Judy Gahide will clean up the membership list on the website to include paid members only per the Chelsea list. The pdf list created by Denise Lott will not be updated at this time. Kwong Young will receive notices of new members, pass the registration information to Susan Brown to be added to the website and she will send it on to Dick Harrold to be added to the email list of members. Members that don't continue to pay are only removed from email on request. Susan or Carole will contact new members personally to get them involved in the club and Kwong will meet with them to evaluate their level of play and let them know which groups would welcome them. Carole will send articles to the Splash with information about upcoming and past activities and an invitation to contact the membership committee for information on joining the club.

OLD BUSINESS

Fourth of July Mixer - Saturday 7/4/2020 - CLOSED

We will make a final decision on go or no at the next board workshop in two weeks. A suggestion was made to have ice cream that is easy to hand out with low contact (Klondike Bars??) to aid in social distancing off the courts. We will need a plan to assign courts and keep people apart during changeovers. Dick will make an information flyer and sign up sheet for the bulletin board. Kwong will reserve the courts from 8:30-10:30

NEW BUSINESS

There was some discussion about having classes in the evening at IOTC. Possibly Heidi Gilbert would be interested in helping. Volunteers would be needed to assist. The lights on the stadium courts aren't working and would need to be repaired if we use them.

The main goals for the coming season are "New life, New Members" - Dick Eslick suggested a goal of 300 members! Carole's Splash articles should help to draw in new and past members and an opportunity for classes would also help.

Next Board meeting - July 6 at 1:00 on IOTC patio

Next Board workshop - June 22nd at 10:30 on Dick Eslick's patio
